

Travel the Map

FOR DEALS

teachingstuff.com

Adventure awaits with our new Travel the Map theme! Take your students on a learning adventure with the Future World Changers Bulletin Board set and encouraging Positive Posters. The map- and globe-inspired border trims ignite thoughts of exploration and our Mint Painted Wood and Parchment Better Than Paper® Bulletin Board Rolls blend superbly with the vintage colors of the theme. The Hanging Paper Fans add artistic flair to any display. Pair them with the Pennants Welcome Bulletin Board for a big impact. The Travel the Map Mini Bulletin Board has map-inspired pennants, inspiring quotes, and charming accents that can be used around the room to draw the theme together or all on one bulletin board for one big motivational message.

M/i

Tetching a Learning Stuff

Lemon Zest

Refresh and renew your classroom with this bright and zesty theme! This new Lemon Zest Collection will entice students to savor the sweetness of each day. Add some Floral Sunshine Paper Flowers and our Big Tree Bulletin Board with some Lemon Zest Mini Accents for a fresh, outdoorsy feeling. Both our Light Turquoise and Lemon Yellow Better Than Paper® Bulletin Board Rolls add the perfect background colors for this theme. Attach the Light Turquoise to the sides of the desk, add some Yellow Gingham Scalloped Border Trim, and string together some accents from the Lemonade Stand Bulletin Board, and you've totally transformed your work space. We even used our Boxwood and White Wood Bulletin Board Rolls to create a white picket fence and complete the cozy garden feel.

Teaching & Learning Stuff

12/05

This wood- and nature-inspired theme sets the perfect scene for a calm and tranquil classroom. Gold Shimmer Better Than Paper[®] Bulletin Board Rolls bring out the muted gold tones throughout the products. Use the Eucalyptus Die-Cut Border Trim to embellish a storage cart. We strung together the eucalyptus accent pieces from the Eucalyptus Pennants Welcome Bulletin Board to create a fun addition to this work space. We added twine to the Geometric Terrariums and hung them in the window for added charm. Positive Words and Positive Sayings Accents add the perfect peaceful touch when used on a bulletin board or just placed around the room for soothing reminders.

Rustic Bloom

New Additions

We've added even more fabulous products to our Rustic Bloom Collection. With new charts, stickers, name plates, and accent pieces, there is even more to love about this flourishing, natural theme. The new products contain the succulents, flowers, rustic wood, and soft pastel colors that are the cornerstones of the motif. Our Floral Bloom Paper Flowers are a perfect extension of the floral characteristics, and our Chicken Wire Better Than Paper[®] Bulletin Board Roll is a natural choice to complete the rustic appearance. An assortment of colorful paper fans adds a whimsical and cheery touch; try hanging them from the ceiling or mounting them on a bulletin board. We added some Succulents Accents to them to create a unique display that perfectly ties into the theme. We also added multiple layers of border trim to the bulletin boards with coordinating Better Than Paper® as a background to pull the theme together. We used the Hunter Green, Mint Painted Wood, Dark Wood, and White Brick throughout the classroom, as well as positive posters, accents, and labels to create appealing and engaging displays.
